Attn: Ms. Bethany Rhodes, Director

Regarding: Iran/Sudan Divestment

Dear Ms. Rhodes:

Enclosed is OP&F's statutorily required annual update on the current market value of holdings in companies that have been identified as having ties to Iran and Sudan under criteria in OP&F's Iran and Sudan Divestment Policy. We have compiled OP&F's holdings as of October 31, 2012 using our list of scrutinized companies and compared those to our previous holdings: The October 2013 holdings have a market value of \$14,456,850.11 compared to the June 2008 market value of \$251,452,918.87, which is a reduction of 94.25%.

For your review, the Ohio Legislature required OP&F to adopt an Iran and Sudan Divestment Policy. The original policy was effective September 24, 2008 and attempted to honor the legislative directive to seek divestment. The updated policy as modified on June 1, 2011 notes that the Board concluded after years of monitoring that it is solely in the interest OP&F beneficiaries and participants to fully divest investments in these two countries by attrition." The policy provides guidance and clarity to staff and external investment managers seeking to implement the directive to seek divestment.

Legislation further required that the Fund shall file a report annually, which shall be made available to the public, to the President of the Senate, the Speaker of the House of Representatives, the Minority Leader of the Senate, the Minority Leader of the House of Representatives, the Ohio Retirement Study Council, and the Workers Compensation Council (please note this body is no longer in existence), and that we send a copy of that report to the United States Presidential Special Envoy to Sudan and the United States Presidential Special Envoy to Iran, or an appropriate designee or successor. The report includes:

- (a) A summary of correspondence with companies engaged by the Fund pursuant to this section;
- (b) All investments sold, redeemed, divested, or withdrawn pursuant to this section;

(c) Any progress made under division (B) (4) (d) of this section; (which asks managers of actively managed investment funds to consider removing the companies from holdings or to create a similar actively managed fund devoid of such companies.)

(d) A list of all publicly traded securities held directly by the Fund.

We have also attached a copy of the divestment policy, and the referenced market value comparison.

Please contact me with any questions on the foregoing. Thank you for your assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "John J. Gallagher, Jr.", written in a cursive style.

Appendix A:

A summary of correspondence with companies engaged by the Fund pursuant to this section

3-6-09 Staff sent 71 e-mails to officers of the 21 companies on the list of scrutinized companies that were then held by OP&F. Letters requested explanation of activities in Sudan & Iran by 4-3-09.

3-12-09 Staff followed up by sending eight letters via mail to officers of the three companies on the list of scrutinized companies whose e-mail systems refused/returned our e-mails. Letters requested explanation of activities in Sudan & Iran by 4-3-09.

4-16-09 Staff sent PDF copies of the six timely responses from companies on the Iran and Sudan screening lists; to RMG-ESG to request a review to confirm they should be kept on or dropped from those lists.

- ABB
- BHEL
- GDF Suez
- Inpex
- Petro China
- Total

5-5-09 RMG-ESG provided a confirmation that the responding companies should be kept on or dropped from those lists.

- ABB: Should be kept on the list for Sudan.
- BHEL: Should be kept on the list for Sudan.
- GDF Suez: Was previously on the Iran list, but removed in March.
 - *(note that this company has been on and off the lists repeatedly)*
- Inpex: Should be kept on the list for Iran.
- Petro China: Should be kept on the list for Sudan and for Iran.
- Total: Should be kept on the list for Iran.

MSCI-RMG-ESG remains in contact with all listed companies to ensure they should be kept on or dropped from the listing. Part of their normal communication is a request for cessation, or explanation. The listing is provided in an updated format to OP&F monthly.

8-15-13 OAO (JSC) Gazprom NEFT outside counsel challenged their inclusion in the OP&F scrutinized companies listing of companies doing business in Iran. OP&F researched then confirmed with MSCI-ESG analytics that we both agreed that OAO Gazprom NEFT is a subsidiary which is majority owned by Gazprom OAO which does have operations inside Iran. OP&F informed (counsel for) OAO Gazprom NEFT of our review and that we would continue to list the company on our Scrutinized companies listing on 9-4-13. We have had no further questions from the company or their counsel.

Appendix C

Any progress made under division (B) (4) (d) of this section; (which asks managers of actively managed investment funds to consider removing the companies from holdings or to create a similar actively managed fund devoid of such companies.)

Ohio Police & Fire Pension Fund is invested in two active funds, both of which make up a portion of an existing International equity ACWI ex US mandate. Both managers have declined to set up separate similar actively managed funds devoid of such companies. However, both managers have agreed to monitoring companies on the scrutinized companies listing to try to find comparable securities.
