Subject: 2007 Annual Employer Disability Experience Report

In accordance with Section 742.381 of the Ohio Revised Code, the Ohio Police and Fire Pension Fund submits the enclosed 2007 Annual Employer Disability Experience Report.

The 2007 Disability Experience Report is presented in two parts. Part I reports all employers in Ohio which had Police and Fire employees with disability applications pending from 2006 or were newly filed in 2007. Part II of the report shows 544 employers who had no employees with disability experience in 2007.

Of the 148 employers with disability experience in 2007, only 29 cities had 5% or more of their employees with pending or granted disability benefits. The number of employers with disability experience was down from last year's count of 154 employers. It is important to note that a small employer with even one application in process would understandably make the percentage of disability experience appear higher than average for that employer.

Employers who had at least 400 Police and Fire employees in 2007 experienced less than a 3.5% with disability experience.
