Subject: 2000 Disability Experience Report

In accordance with Section 742.381 of the Ohio Revised Code, the Ohio Police and Fire Pension Fund submits the enclosed 2000 Disability Experience Report.

The 2000 Disability Experience Report is in two parts. Part one reports all employers who had employees with disability applications pending from 1999, and those that were filed in 2000. Part two reports employers who had no employees with disability experience in 2000.

Of the 140 employers with disability experience in 2000, 37 had over 5% of their employees with disability benefits in process in 2000. Of those 37 employers, most had only one employee with an application in process and most had less than 20 active employees as of December 31, 2000, making the percentage understandably high.

Additionally, all of the employers with over 1,000 active employees as of December 31, 2000 had less than 1.5% of their employees with a disability benefit in process.
