

125 O.L.

H.B. 1

Sec. 145.27 (486-53). Annual statement of funds; statement of individual account.

The treasurer of state shall furnish annually to the *public employees* retirement board a sworn statement of the amount of the funds in his custody belonging to the *public employees* retirement system. The records of the *** board, except those provided for in section *** 145.16 of the Revised Code, shall be open to public inspection and any member of the *** system shall be furnished with a statement of the amount to the credit of his individual account upon written request by such member ***. The board *** is not required to answer more than one such request of a member in any one year.

Effective October 1, 1953
