Annual statement of funds; statement of individual account.

Sec. 145.27. The treasurer of state shall furnish annually to the public employees retirement board a sworn statement of the amount of the funds in his custody belonging to the public employees retirement system. The records of the board *** shall be open to public inspection, except for the following which shall be excluded: the history record as provided for in section 145.16 of the Revised Code, the amount of a monthly allowance or benefit paid to a retirant, beneficiary, or survivor, and all medical reports and recommendations provided for in sections 145.35 and 145.39 of the Revised Code, provided that with the recommendation of the medical representative of the board, copies of such medical reports or recommendations may be made available to the personal physician of the member when such release is deemed to be in the best interests of the member. Any member of the system shall be furnished with a statement of the amount to the credit of his individual account upon written request by such member. The board is not required to answer more than one such request of a member in any one year. (Amended in Amended Substitute House Bill No. 225)
