For each year of service credit purchased under this section, the employing unit shall pay an amount equal to the additional liability resulting from the purchase of that year of service credit, as determined by an actuary employed by the public employees retirement board.

(E) Upon the election by an eligible employee to participate in the retirement incentive plan, the employee and the employing unit shall agree upon a date for payment or contracting for payment in installments to the public employees retirement system of the cost of the service credit to be purchased. The employing unit shall submit to the public employees retirement system a written request for a determination of the cost of the service credit, and within forty-five days after receiving the request, the board shall give the employing unit written notice of the cost.

The employing unit shall pay or contract to pay in installments the cost of the service credit to be purchased to the public employees retirement system on the date agreed to by the employee and the employing unit. The payment shall be made in accordance with rules adopted by the public employees retirement board. The rules may provide for payment in installments and for crediting the purchased credit to the employee's account upon the employer's contracting to pay the cost in installments. The board shall notify the member when the member is credited with service purchased under this section. If the employee does not retire within ninety days after receiving notice that the employee has been credited with the purchased service credit, the system shall refund to the employing unit the amount paid for the service credit.

No payment made to the public employees retirement system under this section shall affect any payment required by section 145.48 of the Revised Code.

(F) For the purpose of determining whether the cost of a retirement incentive plan established by a county or county agency under this section is an allowable cost for the purpose of federal funding for any year, the cost shall be considered abnormal or mass severance pay only if fifteen per cent or more of the county or county agency's employees participate in the plan in that year.

Nothing in this division shall relieve a county or county agency from seeking federal approval for any early retirement incentive plan that uses federal dollars in accordance with federal law.

The member shall agree to retire not later than ninety days after making the election under division (A)(1) of this section or receiving notice of the additional liability specified under division (B)(1) of this section. If the member makes the election under division (A)(2) of this section, payment shall be made in full for any credit earned under section 145.33 of the Revised Code or division (A)(2), (B)(2)(1)(b), or (C)(2) of section 145.332 of the Revised Code that is to be treated as service credit earned under division (A)(1), (B)(1)(a), or (C)(1) of section
