Sec. 3305.06. (A) Each electing employee shall contribute an amount, which shall be a certain percentage of the employee's compensation, to the provider of the investment option the employee has selected. This percentage shall be the percentage the electing employee would have otherwise been required to contribute to the state retirement system that applies to the employee's position, except that the percentage shall not be less than three per cent. Employee contributions under this division may be treated as employer contributions in accordance with Internal Revenue Code 414(h).

(B) Each public institution of higher education employing an electing employee shall contribute ~~an amount, which shall be a certain percentage of the employee's compensation,~~ to the provider of the investment option the employee has selected. This percentage shall be ~~determined by the board of trustees of the public institution~~ equal to the percentage that the public institution of higher education would otherwise contribute on behalf of that employee to the state retirement system that would otherwise cover that employee's position, less the percentage contributed by the public institution of higher education under division (D) of this section.

(C)(1) In no event shall the amount contributed by the electing employee pursuant to division (A) of this section and on the electing employee's behalf pursuant to division (B) of this section be less than the amount necessary to qualify the plan as a state retirement system pursuant to Internal Revenue Code 3121(B)(7) and the regulations adopted thereunder.

(2) The full amount of the electing employee's contribution under division (A) of this section and the full amount of the employer's contribution made on behalf of that employee under division (B) of this section shall be paid to the appropriate provider for application to the electing employee's investment option.

(D) Each public institution of higher education employing an electing employee shall contribute on behalf of that employee to the state retirement system that otherwise applies to the electing employee's position a percentage of the electing employee's compensation to mitigate any negative financial impact of the alternative retirement program on the state retirement system. The percentage shall be six per cent, except that the percentage may be adjusted by the Ohio retirement study council to reflect the determinations made by actuarial studies conducted under section 171.07 of the Revised Code. Any adjustment shall become effective on the first day of the second month following submission of the actuarial study to the board of regents under section 171.07 of the Revised Code.

Contributions on behalf of an electing employee shall continue in accordance with this division until the occurrence of the following:

(1) If the electing employee would be subject to Chapter 145. of the Revised Code had the employee not made an election pursuant to section 3305.05 or 3305.051 of the Revised Code, until the unfunded actuarial accrued liability for all benefits, except health care benefits provided under section 145.325 or 145.58 of the Revised Code and benefit increases provided after March 31, 1997, is fully amortized, as determined by the annual actuarial valuation prepared under section 145.22 of the Revised Code;
