145-1-21

Federal tax compliance provisions.

- (A) This rule is applicable to Chapter 145. of the Revised Code excluding sections 145.80 to 145.98 of the Revised Code.
- (B) The board shall distribute the funds established in Chapter 145. of the Revised Code to participants and their beneficiaries in accordance with the provisions of such chapter. No part of the corpus or income of these funds may be used for or diverted to any purpose other than the exclusive benefit of the participants and their beneficiaries.
- (C) A member who satisfies the eligibility requirements of section 145.32 or 145.332 of the Revised Code shall have a non-forfeitable right to receive the benefit payable as allowed by Chapter 145. of the Revised Code. If there is a termination of the plan described in sections 145.201 to 145.79 of the Revised Code, the rights of each affected member to the benefits accrued at the date of termination, to the extent then funded, are non-forfeitable.
- (D) Employer contribution forfeitures arising from severance of employment, death, or for any other reason of the member may not be applied to increase the benefits any participant would otherwise receive under Chapter 145. of the Revised Code in accordance with section 401(a)(8) of the Internal Revenue Code and applicable regulations thereunder.
- (E) Notwithstanding any provision in Chapter 145. of the Revised Code or Chapters 145-1 to 145-4 of the Administrative Code to the contrary, distributions to members and beneficiaries shall be made in accordance with section 401(a)(9) of the Internal Revenue Code and applicable regulations thereunder and with the following rules.
- (1) The entire interest of a member shall be distributed to such member:
- (a) Not later than the required beginning date; or
 - (b) Beginning not later than the required beginning date, in accordance with applicable regulations, over the life of such member and a designated beneficiary within the meaning of section 401(a)(9) of the Internal Revenue Code.
- (2) The required beginning date means April first of the calendar year following the later of:
- (a) The calendar year in which the member attains the required minimum distribution age; or
 - (b) The calendar year in which the member retires.

- (3) If distribution of a member's benefit has begun in accordance with section 401(a)(9) of the Internal Revenue Code and the accompanying regulations, and the member dies, any survivor benefits will be distributed at least as rapidly as under the plan of payment selected and effective as of the date of the member's death.
- (4) If a member dies before the distribution of the member's interest has begun in accordance with section 401(a)(9) of the Internal Revenue Code and the accompanying regulations, the entire interest of the member will be distributed within five years after the death of such member. However, if a benefit is payable to or for the benefit of a beneficiary within the meaning of section 401(a)(9) of the Internal Revenue Code, the benefit may be distributed (in accordance with applicable regulations) over the life of such beneficiary (or over a period not extending beyond the life expectancy of such beneficiary), provided that such distributions begin not later than one year after the date of the member's death. If the beneficiary is the surviving spouse of the member, distributions shall not be required, pursuant to this section, to begin until the end of the calendar year in which the member would have attained the required minimum distribution age.
- (5) Any death benefit amounts payable under Chapter 145. of the Revised Code must comply with the incidental death benefit requirements of section 401(a)(9)(G) of the Internal Revenue Code and regulations thereunder.
- (6) A reasonable and good faith interpretation of section 401(a)(9) of the Internal Revenue Code and the final regulations issued December 29, 2004 shall apply to all plan years commencing on and after January 1, 2006.
- (7) A retiree or beneficiary who would have been required to receive required minimum distributions for 2009 from an additional annuity or money purchase account but for the enactment of Section 401(a)(9)(H) of the Internal Revenue Code ("2009 RMDs"), and who would have satisfied that requirement by receiving distributions that are (a) equal to the 2009 RMDs or (b) one or more payments in a series of substantially equal distributions (that include the 2009 RMDs) made at least annually and expected to last for the life (or life expectancy) of the retiree, the joint lives of the retiree and retiree's designated beneficiary, or for a period of at least ten years ("Extended 2009 RMDs"), will not receive those distributions for 2009 unless the retiree or beneficiary chooses to receive such distributions. Retirees and beneficiaries described in this paragraph shall be given the opportunity to elect to receive the distributions described in this paragraph.

(F) Whenever the amount of any benefit is to be determined on the basis of actuarial assumptions, the assumptions shall be specified by resolution of the board in a way that precludes employer discretion.

(G) The term "spouse" shall mean:

- (1) A member's legal spouse at the applicable time.
- (2) For purposes of meeting any requirements under the code, an individual who is legally married to a member, including a marriage of same-sex individuals that is validly entered into in a state whose laws authorize the marriage of two individuals of the same sex, even if the individuals are domiciled in a state that does not recognize the validity of same-sex marriages.
- (3) As and when required by law, for all purposes under the plan, an individual who is legally married to a member, including a marriage of same-sex individuals that is validly entered into in any state.

Further, the terms "married" and "marriage" shall have a meaning consistent with the definition of spouse at the applicable time. Individuals (whether part of an opposite-sex or same-sex couple) who have entered into a registered domestic partnership, civil union, or other similar formal relationship recognized under state law that is not denominated as a marriage under the laws of that state are not legally married. For this purpose, the term "state" means any domestic or foreign jurisdiction having the legal authority to sanction marriages.

Service purchase.

(A) For purposes of Chapter 145. of the Revised Code and Chapters 145-1 to 145-4 of the Administrative Code:

(1) "Service purchase" means both of the following:

(a) For members participating in the traditional pension plan, payment for the purchase of service credit pursuant to section 145.20, 145.201, 145.28, 145.291, 145.292, 145.293, 145.299, 145.2915, 145.301, 145.302, 145.31, or 145.47 of the Revised Code, former section 145.295, 145.2911, or 145.2913 of the Revised Code as they existed prior to January 7, 2013, or rule 145-2-18 of the Administrative Code.

(b) For members participating in the combined plan, payment for the purchase of service credit pursuant to section 145.20, 145.201, 145.28, 145.291, 145.292, 145.293, 145.299, 145.2915, 145.301, 145.302, or 145.47 of the Revised Code, former section 145.295, 145.2911, or 145.2913 of the Revised Code as they existed prior to January 7, 2013, or rule 145-3-21, 145-3-22, or 145-3-40 of the Administrative Code.

(2) "One-time or lump-sum payment" means a service purchase that is the full cost of the service credit a member elects to purchase and is paid directly to the public employees retirement system.

(3) "Partial payment" means a service purchase that is less than the full cost of the service credit a member elects to purchase and is paid directly to the retirement system.

(4) "Payroll deduction" means a service purchase made pursuant to section 145.294 of the Revised Code and rule 145-1-38 of the Administrative Code.

(5) A "statement of cost" means a bill prepared by the retirement system stating the cost of the service credit to be purchased. If a statement of cost described in this paragraph is not paid in full prior to its expiration, the member may complete the purchase of the remaining service credit by a lump sum or one-time partial payment of the cost, as recalculated by the system at the time of the final payment.

(6) "Sixty-month amortization amount" means the monthly dollar amount necessary to complete a service purchase prior to the expiration of a statement of cost.

(B) A member participating in the traditional pension plan or combined plan may make a service purchase, pursuant to Chapter 145. of the Revised Code and Chapters 145-1

to 145-4 of the Administrative Code and federal Internal Revenue Code section 415, either directly to the retirement system or by payroll deduction. A statement of cost issued on or after July 7, 2013, shall expire not later than five years after the date of the first payment or first deduction.

(C)

- (1) Except as otherwise provided in Chapter 145. of the Revised Code, the interest rate to be used in calculating the cost of a service purchase shall be six per cent compounded annually. Beginning on January 1, 2014, the interest rate shall be a per cent equal to the assumed actuarial rate of interest compounded annually. Interest shall be calculated under the applicable Revised Code section from the first date through the end of the month of payment.
- (2) Interest shall be applied to unpaid balances of service purchases by partial payment or payroll deduction at a rate equal to the assumed actuarial rate of interest compounded annually after the first payment or deduction. Interest shall be calculated from the date of the first payment through the last day of the month in which the cost statement expires.
- (3) The public employees retirement board may adjust the interest rates in paragraphs (C)(1) and (C)(2) of this rule. If adjusted, the new interest rate shall apply to any statement of cost issued or initial payroll deduction begun after the adjustment.

(D) If the retirement system is required to apply the member's contribution rate at the time the service occurred against the member's earnable salary in calculating the cost of a service purchase, such rate shall not exceed the maximum employee contribution limits that were applicable at the time the service occurred.

(E)

- (1) Service credit shall be granted following receipt of all lump-sum payments, partial payments, or payroll deductions received in a month.
- (2) Except as otherwise provided in Chapter 145. of the Revised Code, when a member makes a service purchase by partial payment or by payroll deduction, interest at a per cent equal to the assumed actuarial rate of interest compounded annually shall be applied to the unpaid balance. The minimum payment accepted by the system shall be the greater of one hundred dollars or the sixty-month amortization amount. The system may recalculate the sixty-month amortization amount when the member's payment or payments cause a material increase or reduction in the sixty-month amortization amount, as determined by the system. Service credit shall be granted by multiplying the service credit not

yet purchased by a fraction having as the numerator the payment amount less current interest paid and as the denominator the unpaid balance on which the current interest was calculated.

(F)

In addition to the requirements specified in paragraph (B) of this rule, all service purchases shall be completed prior to issuance of the initial benefit payment. Subject to the requirements specified in paragraph (B) of this rule, a disability benefit recipient may purchase service credit after the issuance of the initial benefit payment while on a leave of absence described in section 145.362 of the Revised Code. Any service purchased by a disability benefit recipient during the leave of absence described in this paragraph shall take effect on the first day of the month following the date of purchase.

148-1-01 **Ohio public employees deferred compensation program.**

- (A) The purpose of this rule is to provide all necessary standards or conditions for the administration of the Ohio public employees deferred compensation program created by sections 148.01 to 148.10 of the Revised Code.
- (B) The following terms, when used herein, shall have the designated meaning unless a different meaning is plainly required by the context.
- (1) "Program" - The Ohio public employees deferred compensation program as set forth in sections 148.01 to 148.10 of the Revised Code.
 - (2) "Board" - The Ohio board established pursuant to section 148.02 of the Revised Code for the purpose of administering the program.
 - (3) "Employer" - The state and various political subdivisions whose employees are permitted under division (A) of section 148.01 of the Revised Code to participate in the program.
 - (4) "Eligible employees" - Those employees defined in division (A) of section 148.01 of the Revised Code.
 - (5) "Employer agreement" - An agreement between an eligible employer and the board designed to facilitate the board's common administration of all employer plan agreements adopted under the program.
 - (6) "Plan(s) or plan agreement(s)" - The document adopted by an eligible employer under the program that sets forth the terms and conditions governing the deferral of an eligible employee's compensation.
 - (7) "Participating employees or participants" - Those eligible employees who have elected to defer a portion of their compensation pursuant to a participation agreement or who have been automatically enrolled.
 - (8) "Participation agreement" - The agreement between the eligible employer and the eligible employee by which an eligible employee adopts the plan agreement and elects to become a participating employee under the plan.
 - (9) "Automatic enrollment" - Employers may adopt an arrangement under which in the absence of an affirmative election by their eligible employee, a certain amount of compensation may be automatically withheld from the eligible employee's pay and contributed to the plan as a deferral.

- (10) "Investment options" - The various financial products offered as investments under the program.
 - (11) "Funding agents" - Those insurance companies, banks and other financial institutions that the board shall select to invest compensation deferred under plans adopted under the program.
 - (12) "Participant's account" - An account or accounts maintained by the plan administrator reflecting the interest of a participant, alternate payee or beneficiary under the plan.
 - (13) "Payroll center(s)" - Those facilities where the participating employees' paychecks are computed and issued.
 - (14) "Trust or plan-trust document" - The document that sets forth the terms and conditions governing the trust by which all funds of the plan are held in trust by the board on behalf of an eligible employer for the exclusive benefit of an eligible employee.
- (C) The board or its designees shall observe the following procedures in implementing and administering the program.
- (1) The board shall, with the advice and assistance of counsel, formulate and design plan agreements for adoption by those eligible employers electing to offer a plan of deferred compensation to their eligible employees under the program.
 - (2) The plan agreements prepared by the board shall be designed to obtain the desired federal and state income tax treatment of all amounts deferred by a participating employee under the plan agreement. The plan agreement may be amended from time to time, to reflect those changes that are necessary to assure the desired tax treatment and the proper administration of the individual plans under the program. Nothing in agency 148 of the Administrative Code shall be interpreted to prohibit a Roth 457 or other similar post-tax contribution or deferral. The limit on the portion of a participating employee's compensation that may be deferred shall be the maximum annual deferral permitted under section 457 of the "Internal Revenue Code," or any other applicable section of the "Internal Revenue Code," provided that such a limit does not cause a reduction of compensation in any given pay period that is greater than the amount of compensation available for such pay period.
 - (3) The board shall advise all eligible employees of the existence of the program and shall supply them with sufficient information to assist them in determining whether to participate in the program. Each employer shall execute an employer

agreement upon an eligible employee's application to participate in a plan under the program. The employer shall assist the board in communicating the availability of the plan to all eligible employees including any personal explanation prepared and deemed necessary by the board for an eligible employee to make an informed decision regarding his right to participate. The different investment options into which the participating employees' deferred income may be invested shall be fairly and impartially presented to the eligible employees. The employer's payroll center shall recompute the participant's income as specified in the participation agreement and shall remit such deferred amounts to the board.

- (4) Each eligible employee who elects to participate under a plan of deferred compensation established by an eligible employer under the program, shall execute a participation agreement by which he becomes a member of the plan. The board shall undertake to provide all the necessary services required to implement, offer and administer the program on behalf of the eligible employer, and shall be empowered in the employer agreement to perform any and all acts incidental to the administration of the plan.
- (5) The board shall contract with funding agents who are selected by the board to provide investment options under plans adopted by the program. The board's contract with such funding agents shall provide that all amounts deferred under plans adopted under the program will be invested by the board with the funding agents for the period of time that the investment option is made available under an eligible employer's plan and is selected by the participating employee.
- (6) Plan assets are not the property of the participating employees. All plan assets and income shall be held by the board in trust on behalf of the eligible employer for the exclusive benefit of eligible employees and their beneficiaries. All assets, whenever contributed to the plan, are assigned to the trust established by the board. To facilitate administration of the program, the board shall create individual participant accounts, bearing the participant's name, but all assets and income of plans under the program shall be held in trust by the board on behalf of the employer for the exclusive benefit of eligible employees and their beneficiaries. The board shall issue to the participating employees, on behalf of the employer, at least annually, a statement of account values, setting forth the value of a participating employee's account as of such date.
- (7) The board, on behalf of the employer, may assess a participant's account to pay the cost of administering the plan adopted under the program. Interest earned on any employer's funds prior to investment with the funding agent may be applied by the board to fund any costs incident to the operation of the program.

- (8) In accordance with the payment option selected by a participant on the withdrawal form, or the default benefit methods if applicable:
 - (a) The board may at any time direct the funding agents to distribute benefits to the participants or their beneficiaries in the manner the board designates.
 - (b) The board may establish a commercial checking account from which it will distribute benefits to participants or their beneficiaries.
 - (9) If any plan is curtailed, terminated, or the acceptance of additional deferred amounts suspended permanently, the board shall nonetheless be responsible for the supervision and the payment of all participant benefits under such plan.
 - (10) The board is authorized to decide or to resolve any questions of fact regarding a participant or his deferred account needed or necessary to decide the participant's rights under the program and such decision is final and binding on the participant and any beneficiary thereof.
 - (11) The participant shall not be permitted to seek recovery against his employer, the board or any other participant, contractee, or agent of the board, or as against any other person having an administration or investment position relative to the program, for any loss, if any, sustained by the participant or his beneficiary, for the nonperformance of their duties, negligence, or any other misconduct of the above-named persons except that such persons shall not be excused from fraud or any wrongful taking of the participant's property.
 - (12) The members of the board shall be trustees of the funds created by sections 148.01 to 148.10 of the Revised Code. The board and other fiduciaries shall discharge their duties with respect to the funds solely in the interest of the eligible employees and beneficiaries.
 - (13) The board shall, with the advice and assistance of counsel, formulate and design a plan-trust document setting forth the terms under which the board shall hold all plan assets and income earned on those assets contributed by those eligible employers electing to offer a plan of deferred compensation to eligible employees under the program. The plan-trust document prepared by the board shall be designed for the exclusive purpose of investing plan accounts and paying plan distributions for the benefit of eligible employees and their beneficiaries.
- (D) If any paragraph, term or provision of this rule shall be adjudged invalid for any reason, such judgment shall not affect, impair, or invalidate any other paragraph, term, or

provision of this rule, but the remaining paragraphs, terms, and conditions shall be and continue in full force and effect.
