- The Ohio Retirement Systems Ohio-Qualified Agent Listing (Listing) is posted to the OPERS website. The Listing is updated as changes occur throughout the year.

- Periodically, updates and modifications are made to the Certification process and form by OPERS in conjunction with the other Ohio pension systems.

## **Ohio Retirement Systems Ohio-Qualified Agent Certification**

### **General Information**

Under Ohio law, R. C. 145.114, 742.114, 3307.152, 3309.157, and 5505.068, each Ohio retirement system is required to:

1. Establish a policy with the goal to increase the use of Ohio-qualified agents for the execution of domestic equity and fixed income trades when an Ohio-qualified agent offers quality, services, and safety comparable to other agents otherwise available to the systems and meets certain criteria;
2. Adopt a policy to establish criteria and procedures used to select agents to execute securities transactions;
3. Designate an agent as an Ohio-qualified agent if the agent meets certain criteria; and,
4. Make certain reports to the Ohio Retirement Study Council concerning Ohio-qualified agents and minority business enterprises.

Each retirement system's policy may be viewed on its web site.

The statutory criteria for an Ohio-qualified agent are that the agent:

1. Is subject to taxation under R.C. Chapter 5725 (financial institutions and insurance), 5733 (corporation franchise tax), or 5747 (income tax);
2. Is authorized to conduct business in Ohio;
3. Maintains a principal place of business in Ohio and employs at least five Ohio residents; and,
4. Is a licensed dealer under Ohio securities laws or comparable laws of another state or the U.S.

"Principal place of business" means an office in which the agent regularly provides securities or investment advisory services and solicits, meets with, or otherwise communicates with clients.

"Dealer" means every person, other than a salesperson, who engages or professes to engage, in Ohio, for either all or part of the person's time, directly or indirectly, either in the business of the sale of securities for the person's own account, or in the business of the purchase or sale of securities for the account of others in the reasonable expectation of receiving a commission, fee, or other remuneration as a result of engaging in the purchase and sale of securities. "Dealer" does not mean any of the following:

- (a) Any issuer, including any officer, director, employee, or trustee of, or member or manager of, or partner in, or any general partner of, any issuer, that sells, offers for sale, or does any act in furtherance of the sale of a security that represents an economic interest in that issuer, provided no commission, fee, or other similar remuneration is paid to or received by the issuer for the sale;
- (b) Any licensed attorney, public accountant, or firm of such attorneys or accountants, whose activities are incidental to the practice of the attorney's, accountant's, or firm's profession;
- (c) Any person that, for the account of others, engages in the purchase or sale of securities that are issued and outstanding before such purchase and sale, if a majority or more of the equity interest of an issuer is sold in that transaction, and if, in the case of a corporation, the securities sold in that transaction represent a majority or more of the voting power of the corporation in the election of directors;

(d) Any person that brings an issuer together with a potential investor and whose compensation is not directly or indirectly based on the sale of any securities by the issuer to the investor;

(e) Any bank;

(f) Any person that the division of securities by rule exempts as a dealer. Ohio securities licensing laws may be found in R.C. Sections 1701.01 through 1701.45.

A minority business enterprise is defined under Ohio law as an individual who:

1. Is a United States citizen
2. Owns and controls a business, a partnership, corporation, or joint venture of any kind that is owned and controlled by United States citizens, who:
  - a. Are residents of Ohio, and
  - b. Are members of one of the following economically disadvantaged groups: Blacks or African Americans, American Indians, Hispanics or Latinos, and Asians.

"Owned and controlled" means that at least fifty-one per cent of the business, including corporate stock if a corporation, is owned by persons who belong to one or more of the groups listed above. These owners must have control over the management and day-to-day operations of the business and an interest in the capital, assets, and profits and losses of the business proportionate to their percentage of ownership. In addition, the business must have been owned and controlled by those persons at least one year prior to being awarded a contract.

You may obtain additional and/or current copies of this form, lists of Ohio-qualified agents and minority business enterprises, and information on use of agents by contacting each system or viewing its web site.

In order to comply with Ohio law, the retirement system requests that your firm submit this certification.

#### INVESTMENTS

A comprehensive investment policy developed by staff and approved by the SERS Retirement Board provides direction for long-term investment activity. The Investment Department oversees the investment of fund assets that are externally managed by a diverse group of top-tier investment managers to achieve the highest possible return at an acceptable level of risk.

For fiscal year-ending June 30, 2010, SERS' investment rate of return was 12.30% – slightly below its own policy benchmark of 14.70%. SERS maintains a diversified investment portfolio and, effective March 18, 2010, the System's target asset allocation is 22.5% in domestic stocks, 22.5% in international stocks, 19% in global bonds, 10% in global real estate, 10% in global private equity, 15% in global hedge funds and 1% in short-term securities.

Dear \_\_\_\_\_:

The School Employees Retirement System of Ohio (SERS) has adopted a new Statement of Investment Policy effective July 1, 2010. An electronic copy can be found on our website at [www.ohsers.org](http://www.ohsers.org). Under Section VII. J. Approved Brokers, the Policy has been revised to include the following:

"SERS will give equal consideration to minority owned and controlled firms, and firms owned and controlled by women."

As a follow-up to our letter dated May 28, 2010, regarding the consideration of Ohio-qualified brokers, SERS asks that your firm continue to seek best execution on its behalf while minimizing transaction costs. Where all other factors are equal, SERS asks that your firm consider using an Ohio-qualified broker, a minority owned or controlled firm, or a woman owned or controlled firm.

The five Ohio public pension systems have developed a process whereby agents/brokers can certify that they meet qualifying requirements. The systems maintain a common Ohio-qualified agent listing. A copy is enclosed for your reference. This list is revised on an ongoing basis and agents are recertified annually. I suggest that you view our website at [www.ohsers.org](http://www.ohsers.org) monthly to access updates of the Ohio-qualified agent list. You also may view the certification form that an agent must complete.

Please contact me at 614-340-1825 with any questions about our Ohio broker program.

Sincerely,

*Terri Martin*
